## VISION

- Our Vision is: **WE ARE INSPIRED BY GOD** to do HIS work on this earth until the second coming of our Master when HE returns for us in glory.
- We believe Jesus Christ is our Saviour; Our Redeemer; Our Helper; Our Provider; King of Kings; Lord of Lords; Ruler & Creator of the Heaven & Earth & everything in it.
- Our aim & objective in politics is as outlined in Scripture which sayeth' *how then shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? And how shall they hear without a preacher?* Romans 10 v 14
- We believe we are the '**Voice Of Reason**' for South Africa given the subtle racial complexities and prejudices against each other.
- We believe our role is to be champions & protagonists for the cause of: Nation Building; National Reconciliation & National Unity across all sectors of our society.

## MISSION

- We believe our role in politics is to: Use the public platform & the corridors of power to preach Jesus Christ the Saviour & the hope of the world; the message of the Cross; the resurrection;
- We believe our role in the political landscape is to: bring the good news as described in the Holy Bible to all levels of Govt through the preaching & teaching of the Word; by allowing ourselves to be used by the Holy Spirit as vessels to bring good tidings to a dying world; by focusing on spiritual & or emancipation of the soul before political liberty.
- Given the subtle racial friction & intolerances we encounter in our country, we believe our role is to: preach & encourage tolerance; respect for each other; godliness; show & tell through Biblical precepts & commandments;
- We believe we are required to 'Preach the Word; be instant in season, & out of season; reprove, rebuke, exhort with all longsuffering and doctrine ie.
- We need to preach the Word All the time which includes the corridors of Govt. (I Tim 4 v 1 – 4 KJV)
